Harsh Lohiya

Nagpur, Maharashtra, India • harshrlohiya@gmail.com • 8329286193 • https://www.linkedin.com/in/harsh–lohiya–764b601ba/

SUMMARY

Student in Data Science Engineering with a strong background in data analysis, programming, and database systems. Proficient in designing, developing, and deploying big data solutions. Experienced in data mining, manipulation, and presentation to uncover valuable insights. Seeking to leverage excellent communication skills and problem-solving abilities as a Data Engineer.

EDUCATION

Bachelor in Computer Science(Data Science)

Shri Ramdeobaba College of Engineering and Management • Nagpur,Maharashtra • 2025
C G P A – 8.25

EXPERIENCE

Web Development Intern

Cognifyz Technologies   **September 2023 - October 2023, Nagpur**

• Front-End Development: I collaborated with the front-end development team to create visually appealing and user-friendly interfaces. This involved coding in HTML, CSS, and JavaScript, ensuring cross-browser compatibility and responsive design.

• Back-End Support: I assisted in back-end development tasks, such as database management and server-side scripting. This included working with technologies like PHP, Python, or Node.js.

• Learning and Growth: I proactively sought opportunities to learn new technologies and stay updated with industry trends, ensuring my skills are relevant and up-to-date.

PROJECTS

Aim Game

https://github.com/LohiyaH/aim–game • May 2023 – June 2023

• Designed and developed an interactive target shooter game using web technologies.

• Leveraged HTML5, CSS, and JavaScript to create an engaging and visually appealing user interface.

• Demonstrated strong front-end development skills to ensure seamless gameplay and responsiveness.

• Implemented intuitive user controls and responsive design for an enjoyable gaming experience.

CERTIFICATIONS

AWS Cloud Virtual Internship

AICTE • 2023

• Certified in AWS Cloud application and Handling

Google Cloud Carrer Practitioner

Cloud Skill- Boost • 2023

•Certified in Google Cloud applications

COURSEWORK

Statistics for Data Science with Python

Coursera • 2023 • Python,Programming Skills,Statstics

• Project Development

Blockchain: Understanding Its Uses and Implications

edX • 2023 • Blockchain Technologies

• Blockchain Projects

INVOLVEMENT

Media Lead

Shri Ramdeobaba College of Engineering and Management • Assosiation for Computing Mashinery Chapter RCOEM • November 2022 - Present

• Help grow the reach of the Chapter through various platforms and organizing fun and technical events for the benefit of students

• Organized a workshop on the upcoming industry i.e. Game Development with proffesional tools like unity ,Blender

SKILLS

Front End : HTML,CSS,Javascript
Backend : PHP,Python
Frameworks : Node js, Django
Data Analytics: Python , R
